

UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON
AT SEATTLE

C.O., a minor, by and through her guardian
Alison O’Neil, individually and on behalf
of all others similarly situated,

Plaintiffs,

vs.

AMAZON.COM, INC., a Delaware
corporation, and A2Z DEVELOPMENT
CENTER, INC., a Delaware corporation,

Defendants.

Case No. C19-910 RAJ-MLP

ORDER

Defendants filed a motion to compel arbitration in this matter. (Dkt. # 55.) Pending ruling on that motion, the parties submitted motions to compel discovery. (Dkt. ## 112, 124.) The Court denied Defendants’ motion to compel arbitration, and Defendants appealed. (Dkt. ## 137, 142.) The Court stayed this matter and struck the parties’ motions to compel. (Dkt. # 153.) After the Ninth Circuit denied Defendants’ appeal, the Court lifted the stay and held a status conference. (Dkt. # 166.) The Court directed the parties to meet and confer regarding their discovery disputes. (*Id.*) The parties submitted a joint stipulation representing that they were able to agree on some of the disputes, but not all. (Dkt. # 168.) The parties propose refiling their previous

1 motions to compel with an additional supplemental statement regarding their updated positions
2 in light of the meet and confer. (*Id.*)

3 While the Court appreciates the parties' efforts regarding their meet and confer and the
4 stipulation, the Court directs the parties to submit motions addressing only the outstanding
5 discovery disputes for the sake of judicial economy.

6 The Clerk is directed to send copies of this order to the parties and to the Honorable
7 Richard A. Jones.

8 Dated this 17th day of June, 2021.
